Improving Facilities and Access ~

The Sutter Health network of physicians and not-for-profit hospitals will invest billions of dollars over ten years to rebuild, replace and expand much of Northern California's health care infrastructure.

Honors and Distinctions ~

Sutter Coast Hospital's patient satisfaction scores are among the highest in the Sutter Health system and in the top quartile of the nation, as reported by Press Ganey, a national survey firm. (1997, 1998, 1999)

Advancing Patient Safety ~

Sutter Coast Hospital and our Sutter Health network are raising the bar on patient safety. We are the first network on the West Coast to use early warning software as well as advanced video and electronic monitoring to allow physician specialists to keep an even closer eye on critically ill patients 24 hours a day, seven days a week. We continue to be a pioneer in using bar-coding and expert databases to track medication orders to help prevent errors. To further improve clinical outcomes, enhance patient safety and reduce the cost of high-quality care, Sutter Health also is investing \$450 million to deploy an electronic health record (EHR) system as well as \$1.2 billion in a broad range of patient safety initiatives over the next 10 years.

Guiding Us in Our Mission ~

Sutter Coast Hospital is locally governed by a volunteer board of trustees that lends its expertise, knowledge and commitment to guide the hospital toward its mission.
