### **Advancing Patient Safety ~**

Sutter Solano Medical Center and our Sutter Health network are raising the bar on patient safety. We are the first network on the West Coast to use early warning software as well as advanced video and electronic monitoring to allow physician specialists to keep an even closer eye on critically ill patients 24 hours a day, seven days a week. We continue to be a pioneer in using bar-coding and expert databases to track medication orders to help prevent errors. To further improve clinical outcomes, enhance patient safety and reduce the cost of high-quality care, Sutter Health also is investing \$450 million to deploy an electronic health record (EHR) system as well as \$1.2 billion in a broad range of patient safety initiatives over the next 10 years.

### **Improving Facilities and Access ~**

The Sutter Health network of physicians and not-for-profit hospitals will invest billions of dollars over ten years to rebuild, replace and expand much of Northern California's health care infrastructure.

### **Community Support ~**

The Sutter Solano Charitable Foundation, a not-for-profit organization, is dedicated to providing resources to help support numerous worthwhile programs and services. The Charitable Foundation solicits philanthropic gifts that fund programs, services, education, capital improvements and patient care at Sutter Solano Medical Center and Sutter Regional Medical Foundation.
