

# Get Answers to Your Legal Questions During COVID-19

**The COVID-19 crisis has left many of us with more questions than answers. Amidst the uncertainty, your Sutter Health Employee Assistance Program (EAP) team recognizes that sound legal advice can help improve your well-being and relieve stress.**

Sutter Health EAP's legal vendor, CLC, provides access to a network of attorneys ready to help you navigate your legal needs during this unprecedented time.

## Common Questions Due to COVID-19's Impact

### Estate Planning and Healthcare Documents:

- How can I protect my parents and loved ones?
- Would I benefit from a will or trust?
- What documents do I need if I or a family member is hospitalized?
- What's the difference between a power of attorney and a living will?
- I married recently, do I need a new will or trust?

### Tenant Rights:

- What happens if I can't pay my rent?
- Can I be evicted?

### Visitation:

- Can I still see my children during mandated shelter-in-place orders?
- What are my rights and have they changed?

## Sutter Health EAP's Legal Vendor

With 34 years of industry experience, CLC's attorneys are dedicated to listening to your needs. When you contact Sutter Health EAP, you will be connected with an attorney in your local area for a free legal consultation. Through one of CLC's 20,000 attorneys nationwide, you can be confident that you'll find an affordable solution.

### Services include:

A free 30-minute consultation with an attorney regarding your legal matter, and a 25% discount on the retained attorney's hourly or flat-rate fee.

For more information, visit [sutterhealth.org/eap](https://sutterhealth.org/eap) or call 800-477-2258.

The EAP described herein provides access to legal services through a vendor, CLC, that offers a network of provider law firms to EAP members through membership-based participation. Neither the EAP nor its employees directly or indirectly provide legal services, representation or advice.
